

A Message To Our Parents

University Summer Music Camps have existed for many years, but this may be the first time your son or daughter will be attending a camp. We are committed to making your child's camp experience a safe, exciting, and educational experience, and we hope that we can count on you to help us make that happen. We encourage you to become an active participant in your child's preparation for camp and we are always happy to assist you with any questions you might have.

This handbook is your starting point for preparing your student for camp. It is made especially with the questions and concerns of day-campers in mind. It is also a resource for campers while they are attending camp, so please take the time to read it carefully.

Thank you for choosing the UTSA Summer Music Camps for 2017 and we look forward to seeing you this summer!

Sincerely,

You can arrive anytime during the designated time block, but please leave yourself enough time to complete all of the check-in process; you may feel rushed if you arrive too close to the end of your

designated time block. (*Tip: The longest lines tend to be at the very beginning and very end of check-in*).

If you are unable to arrive during your designated time block, please contact email us at utsasbi@gmail.com so that we can make alternate arrangements.

CHECK-IN PARKING

Parking is available in all UTSA lots. We recommend using the UTSA Bauerle Lot located at the bottom of the Arts Building. Parking is free on weekends in any **unmarked** spot.

DAILY DROP-OFF & PICKUP

Please review the camp schedule you are given at check-in closely to be sure that you have the correct drop-off and pick-up times for your camp. When dropping-off and picking-up a day camper each day, please do so at the Bauerle Lot unless otherwise noticed.

AM Drop-Off

Students are to be dropped at the foot of the hill leading up to the Music Building. This is in the Bauerle Lot. They will need to walk directly to the second floor of the music building and check in at the camp administrative office. The first attendance of the day will be taking at the morning rehearsal.

PM Pick-Up

We won't lie: PM pick-up can get a bit hectic - especially if it rains. But we do our best to get your children out to your car as quickly and efficiently as possible. Please be patient and stay in your car. We will walk your child out to meet you. Pick-up will take place at the Bauerle Lot, unless other specified.

CAMP CHECK-OUT

Camp check-out takes place after the final performance. The concert orange band begins at 2pm and should be over by 3pm. Blue band will start at 3:00 and be done by 4:00pm. Once your concert is over, you can leave for home directly from the concert. There is no official check-out process that day campers need to follow post-concert. We will have camp counselors available in the lobby if you need any assistance.

CHECKING-IN WITHOUT A PARENT PRESENT

WHAT TO EXPECT AT CHECK-IN

Administrative check-in takes place in the UTSA MUSIC BUILDING.

No audition is required prior to registering for camp.

- 1: All campers **must** bring their own instrument to camp.

We suggest that the campers communicate with their middle school directors if they will need to borrow equipment for the week.

Preparing for Life At Camp

There are so many things to think about when preparing for your time at camp. This section is designed to help you understand what to expect at camp and guide you as you make your camp plans. In addition, we want you to understand what we expect of each camper during your time with us:

We expect our campers to come prepared daily to practice, play, and perform. We expect our campers to uphold the standards of our community of camp musicians; helping to maintain a safe and welcoming environment, and helping to foster positive relationships between fellow campers. Bullying, substance abuse, theft, and other negative behaviors will not be tolerated. Most of all - WE EXPECT OUR CAMPERS TO LEARN AND HAVE FUN!!!

Attendance at all camp events, rehearsals, and performances is MANDATORY. Attendance will be taken at the start of each rehearsal, every day as well as the start of each new activity. If you have extenuating circumstances, which may prevent you from bringing your instrument to camp, please contact the camp office.

Music you want to work on at camp (typically during your private lesson time)

Instrument accessories such as valve oil, cleaning cloths, reeds, etc.

A NOTE ABOUT ENSEMBLE PLACEMENT

Once band assignments have been made they will not be changed. The students at our camps come from a variety of backgrounds and musical experiences, and therefore, the band assignment and seating you receive at camp may not be what you are used to back home. This can be a shock to some campers who are used to always being placed at the top.

We encourage campers to prepare for the placement audition and then to trust the decisions of the UTSA educators to place them in the appropriate ensemble. Our instructors want all campers to get the most out of their camp experience and we stand behind the decisions they make. Changes will NOT be made to ensemble and/or seating assignments after they have been completed.

WORKSHOPS

Throughout the duration of the camp, we will host a series of workshops that all campers will attend during the day. These workshops will focus on a variety of topics that enhance the individual as a developing musician.

CONCERTS

All concerts will take place in the UTSA Recital Hall - Saturday, June 17th
Orange Band – 2:00pm
Blue Band – 3:00pm

All performances are free and open to the public. No tickets are required. Seating is general admission and concert halls open 15 minutes prior to the performance. Parking is free on weekends in any **unmarked** spot!

Performances time and locations are subject to change.

No food or drink is allowed in the performance hall. Non-flash photography/video is allowed but please be respectful of the performers, conductors and other audience members.
No pets allowed in the performance hall except service animals.

PARENT RESOURCES

We want camp to be an exciting summer experience for all of our campers, and we're sure that you will find that our counselors and instructors will do everything possible to make that happen. We hope that this section will provide some answers and guidance for you as a parent as you prepare to send your child to UTSA for this new experience.

HOMESICKNESS – YES, IT EVEN HAPPENS TO CAMPERS

Adjusting to camp can be overwhelming for some students even when camp is in your hometown. Usually homesickness manifests within the first 24-36 hours, and common phrases to listen for are: "I just don't like camp"; "The music is too easy and I've already played this piece at school"; "I'm not making any friends" or "I'm bored." Most of the time these are usually just warning signs that the student is having trouble adjusting to their new environment. Once they have the chance to overcome these anxieties, most campers do a complete 360 and can't stop talking about next year.

If you feel that your child might be having trouble adjusting, encourage them to hang in there and then give us a call so that we can do all we can to help them feel comfortable, involved and happy. Our staff has handled these situations before and have a variety of tools and methods at their disposal to get your child interacting with new friends, engaging in class, and on the path to having a great time.

To help you child prepare in the months before camp starts, you may wish to try the following techniques which are endorsed by the American Camp Association:

1. Don't make a "pick-up deal."

Promising “If you’re not having fun I’ll come and get you” undermines children’s confidence and dramatically intensifies homesickness. Instead, normalize their anxiety and talk positively about camp.

2. Spend practice time away from home.

Nothing builds confidence and teaches a child how to cope with time away from home better than...(you guessed it)...time away from home. That weekend at your folks’ house will do wonders for their adjustment.

3. Double-check the check-in and check-out time for your camp. Start camp off on a smooth note by arriving on time and on the right day. Use a wall calendar in the months prior to check-in day to make an exciting count-down to the big day.

TROUBLE IN PARADISE

It happens...phone’s go missing, phones go missing, money gets lost, new friends can say mean things. If your son or daughter calls you with a problem, remind them that the counselors should be their first stop for assistance - there is always someone available in the Camp Office to help. Our staff will do our best to resolve the problem as quickly as possible.

But what happens when kids don’t know when to ask for help? Our counselors will always do their best to try to identify problems before they happen, but they are not mind-readers. Remind your son or daughter that they need to Speak up if something isn’t right or if they are unhappy.

It is equally important that they need to speak up if they aren’t feeling well. Our camp counselors are not medical professionals and cannot make medical decisions on behalf of the students. If you son or daughter has an ongoing medical condition, please alert us at check-in and make sure that your child knows to alert an adult immediately if they are experiencing any signs or symptoms.
